Go drink NO drunk

Founded in 2025, the company was born with the goal of combining Italian tradition, innovation, and inclusivity creating versatile products for conscious consumption and professional mixology. From the beginning, it has stood out for its creative and independent approach, far from industrial mass production, oriented toward experimentation, with respect for its roots and a vision that is open to the future.

OUR SELECTION

APERINOVA

Our non-alcoholic Aperinova is a game of balance: water, sugar, sweet and bitter oranges and herbal extracts that release an elegant bitter note.

HUGOWAVE

The non-alcoholic HugoWave is lighter and more fragrant: elderflower, a hint of lime, a little sweetness and delicate bubbles, fresh and floral.

LIMONZERO

LimonZero captures the full essence of the lemon in the glass: juice and zest, sugar and lively acidity. No alcoholic maceration, just the intense aroma of the peel.

BITTER ZERO

Bitter Zero is bold and intriguing: bitter herbs, roots, and citrus peel. Its dry, slightly bitter flavor speaks volumes, leaving a bitter aftertaste on the palate that invites you to sip slowly.

ALMONDVIBES

AlmondVibes is soft and enveloping: bitter almonds and vanilla blend together in a sweet, warm and long-lasting sip, capable of telling its story without the addition of alcohol.

GINZERO

GinZero is fresh and aromatic: juniper, spices and citrus blend in a delicate, dry symphony. You don't need alcohol to experience its personality: it's clear, with a scent that envelops you from the moment you pour it.

The image shows four glass bottles of different colored syrups lined up on a light-colored wooden table. From left to right, the bottles contain orange, light orange, yellow, and red syrups. Each bottle is topped with a decorative garnish including fresh herbs like mint, citrus slices, and small flowers. Colorful, curly straws are inserted into each bottle. The background is a bright, slightly blurred outdoor setting with white curtains and green foliage.

SYRUPS

CHERRY KISS

Cherry Kiss is sweet and seductive: the intense aroma of ripe cherries releases a velvety, fruity flavor as soon as it is poured, which lingers and invites you to close your eyes to savor its intensity.

LAMPOESSENCE

Lampoessence is bright and lively: the fruity and slightly acidic notes of fresh raspberries explode on the palate, giving a playful taste.

SWEET ELDERFLOWER

Sweet Elderflower is elegant and gentle: the scent of elderflowers envelops the senses. Sweet and floral, it brings a feeling of lightness and harmony.

MINT FRESH

Mint Fresh is pleasantly fresh and invigorating: the spearmint leaves release a pungent and regenerating aroma, which refreshes every sip and awakens the senses.

STRAWBERRY FUSION

Strawberry Fusion is sweet and intense: the scent of strawberries spreads quickly, with a rich and enveloping flavor that lingers on the palate for a long time.

BLUEBERRY BLISS

BlueBerry Bliss is subtle and refined: the blueberry notes emerge light and fresh, with a delicate balance between sweetness and acidity that makes every sip elegant and harmonious.

REDBERRIES

Redberries is lively and decisive: the blend of red berries releases intense and vibrant flavors, with a fruity and persistent character that immediately captures the senses.

A photograph of five glasses filled with smoothies of different colors: light pink, green, red, dark red, and yellow. Each glass is topped with fresh mint leaves. The smoothies are arranged on a wooden surface, surrounded by various fresh fruits including strawberries, blueberries, raspberries, blackberries, and slices of kiwi and orange. A semi-transparent pink rectangular box is overlaid in the center, containing the word 'PULPS' in a serif font, flanked by two horizontal lines.

PULPS

FRESHCOCO

FreschCOCO is creamy and enveloping: its delicate flavor opens softly on the palate, leaving a delicious, velvety sensation.

CRANBERRY

Cranberry is refined and sophisticated: the delicate flavor of the cranberry develops with a balance between sweetness and acidity, giving freshness and harmony, elegant in every sip.

PASSION BLOOM

Passion Bloom is exotic and vibrant: the passion fruit releases an intense and fruity aroma, sweet with a hint of acidity, giving a deep and engaging taste.
